Mr. Bart McCorquodale
McCorquodale Transfer
381 Summit Boulevard
Birmingham, AL 35243

Dear Bart,

On behalf of Birmingham Botanical Gardens, thank you for all McCorquodale Transfer does for Birmingham Botanical Gardens. Antiques at The Gardens is our largest fundraising event and it is only thanks to you that we are able to pull it off year after year.

[REDACTED] We are excited to see you at the Friday evening party and to thank you in person.

As you know, your sponsorship of the 10th annual Antiques event goes directly to supporting the many things we do for the community including our award-winning education programs free for school children, our conservation programs, growing and donating 3,000 pounds of food annually to local food banks, and more. We are truly honored that you and visionaries like you see beyond The Gardens beauty and choose to support all that we do for our community. It is only thanks to friends like you that we have been a tourist destination and economic catalyst for Birmingham for more than 50 years.

[REDACTED]

Thank you again for all you have done and continue to do to ensure Birmingham Botanical Gardens remains an educator, environmental steward, community resource, tourist destination and cultural institution.

For The Gardens,
