Dear Bart:

We would like to thank you for the excellent moving services your company has provided us this year. In addition to handling our major move, we have utilized your special two-man minor moving services as well. The excellent service began when Seneca Reid did a great job of giving us our estimate, and things just got better from there. Adam Crawford was the team leader on our major move, and Chris DePiano coordinated the various special two-man moving services we needed. Both, along with the well qualified team of movers, did a terrific job for us. They were punctual, focused, organized, friendly, energetic, efficient and careful. They were always ready, willing and able to help us in any way they could. As a result, instead of potentially stressful experiences, our moves went very smoothly. With your leadership and the outstanding team you have assembled, there is no doubt that McCorquodale Transfer, Inc. will continue to be successful. We will continue to recommend your company to anyone who needs such services. Thanks again for all you have done for us, and we wish you and your team the very best in the future. Take care and enjoy the upcoming holidays.

Sincerely,

  
Henry D. R.
