Dear Bart -

I hope this note finds you well! I wanted to thank you and McCorquodale Transfer for your support of the UAB Cancer Center with your sponsorship for our fundraiser that took place in May. I am pleased to inform you that our event netted over \$100,000 that will go directly to fund the Young Investigator Grants at UAB. The success of our event wouldn't be possible without your support, so thank you! Hope to see you soon!

Anna
