1. You may go on-line to **bakerintl.com** to purchase coverage or get a quote. You will need your movers ID and the approximate weight of your shipment. You may also purchase coverage by completing this brochure on the reverse side. To establish the proper coverage amounts for your household goods and personal effects, you may multiply the total weight of your shipment times \$10.00. Another method is to multiply the number of rooms in your home or apartment by \$10,000, excluding bathrooms and closets, or you may list your items and create an inventory. The minimum amount of coverage cannot be less than \$7.00 times the total weight of your shipment, however, the total value of insurance purchased must equal 100% of the replacement value of all goods being shipped or coinsurance may apply.

There is no coverage for Fine Arts and Antiques unless you provide a separate inventory with description and values.

Collections are limited to \$500.00 unless listed individually on inventory with description and values.
